PRODUCT FEATURES

- 24 one-touch icon-driven menu items, meaning regardless of the operator, at one touch deliver precisely the same results every time.
- Are there more fries than last time? Adaptive cooking automatically adjusts the cooking times to suit your batch size ensuring you never serve under-cooked food.
- The 4.3" QPad is intuitive, easy to use, and provides the wider functionality that only a touch screen can deliver.
- Easy-View Traffic Light Status — ColourCue. Great for busy and noisy kitchens, ColourCue shows you the status of your fryer at a glance: red - attention required such as unloading; amber – pre-heating; green - ready to fry.
- Understand your energy usage. Customise the eco settings by temperature to suit your operation. View where you can make savings with a detailed analysis of the fryer's energy usage over the last 8 hours, 24 hours, 7 days, and 28 days.
- Keeping your oil in peak condition! FriFri Oil Assistant and optional xFri© to easily monitor the condition of oil with the onscreen oil status. When prompted filter the oil even while it's still hot, mid-service if necessary, and resume frying in under five minutes. It is so quick and easy that there is no excuse not to!
- Raising food to the next level. Perfect for kitchens where you don't have time for constant supervision, the optional LiftFri© automatic basket lifting system lifts food at the end of the cycle to prevent overcooking.
- Pressed tank for strength and durability. Radiused corners for easy cleaning. Hinged elements with two tilt positions for draining and
