|-------------------------------------|---------|-------------------------------------------------------------------------------------|----------------------------------|
| DB109-A Polar Table Top Milk Fridge | 1       |    | Glass Door Kit                   |
| DB109-A Polar Table Top Milk Fridge | 2       |    | Evaporator Fan Panel             |
| DB109-A Polar Table Top Milk Fridge | 3       | AK448                                                                               | Top Hinge                        |
| DB109-A Polar Table Top Milk Fridge | 4       | AK449                                                                               | Evaporator Fan                   |
| DB109-A Polar Table Top Milk Fridge | 5       | AK450                                                                               | LED Light                        |
| DB109-A Polar Table Top Milk Fridge | 6       | AK451                                                                               | Lamp Cover                       |
| DB109-A Polar Table Top Milk Fridge | 7       |    | Shelf                            |
| DB109-A Polar Table Top Milk Fridge | 8       |    | Foam Cabinet                     |
| DB109-A Polar Table Top Milk Fridge | 9       | AK452                                                                               | Milk Hole Plug                   |
| DB109-A Polar Table Top Milk Fridge | 10      |    | Compressor (R600a)               |
| DB109-A Polar Table Top Milk Fridge | 11      | AK453                                                                               | Condenser Fan                    |
| DB109-A Polar Table Top Milk Fridge | 12      |    | Condenser Fan Panel              |
| DB109-A Polar Table Top Milk Fridge | 13      |    | Rear Reinforcement Right         |
| DB109-A Polar Table Top Milk Fridge | 14      |    | Rear Reinforcement Left          |
| DB109-A Polar Table Top Milk Fridge | 15      |    | Water Box                        |
| DB109-A Polar Table Top Milk Fridge | 16      |    | Socket                           |
| DB109-A Polar Table Top Milk Fridge | 17      |    | Condenser                        |
| DB109-A Polar Table Top Milk Fridge | 18      |    | Back Panel-old version           |
| DB109-A Polar Table Top Milk Fridge | 18      |    | Back Panel-After 407076-AU       |
| DB109-A Polar Table Top Milk Fridge | 19      | AA585                                                                               | Filter                           |
| DB109-A Polar Table Top Milk Fridge | 20      |  | Power Cord                       |
| DB109-A Polar Table Top Milk Fridge | 21      |  | PCB Fixing Board-old version     |
| DB109-A Polar Table Top Milk Fridge | 21      |  | PCB Fixing Board-After 407076-AU |
| DB109-A Polar Table Top Milk Fridge | 22      | AK454                                                                               | PCB                              |
| DB109-A Polar Table Top Milk Fridge | 23      |  | Compressor Panel                 |
| DB109-A Polar Table Top Milk Fridge | 24      |  | Reinforcement Left               |
| DB109-A Polar Table Top Milk Fridge | 25      |  | Reinforcement Right              |
| DB109-A Polar Table Top Milk Fridge | 26      |  | 7mm Transition Pipe              |
| DB109-A Polar Table Top Milk Fridge | 27      | AK455                                                                               | Feet (set 4)                     |
| DB109-A Polar Table Top Milk Fridge | 28      | AK456                                                                               | Bottom Hinge                     |
| DB109-A Polar Table Top Milk Fridge | 29      |  | Lock Fixing Board                |
| DB109-A Polar Table Top Milk Fridge | 30      |  | Evaporator                       |
| DB109-A Polar Table Top Milk Fridge | 31      | AK457                                                                               | Door Lock & Key                  |
| DB109-A Polar Table Top Milk Fridge | 32      | AK458                                                                               | Door Seal                        |
| DB109-A Polar Table Top Milk Fridge | 33      |  | Light Switch-After 407076-AU     |
