

Jantex Green Glass and Stainless Cleaner

Concentrate

Jantex Green Range

PRODUCT DESCRIPTION:

Looking for a glass and stainless cleaner that's effective, versatile and easy to use?

Then this cleaning spray from Jantex Green is exactly what you need for glass surfaces and stainless steel surfaces. A blend of surfactants, water conditioners and water based solvents quickly penetrate and remove smoke film, grease, hard water spots and surface dust, leaving a streak-free finish.

The plant-based formula makes this solution Nontoxic, no ammonia, no chlorine, phosphate free - giving you a cleaner that's kinder to both staff and the environment than traditional solutions.

DIRECTIONS:

Dilute 100mL per 1L of water. Spray surface to be cleaned and wipe to a streak free finish with a lint-free cloth. For optimal results, change cleaning cloth regularly.

Use to clean windows, glass and stainless-steel surfaces.

PACK SIZE/S: 5L

ORDER CODE/S: DU817

FEATURES:

- Plant and Mineral Based
- Eco-Friendly Product that **ACTUALLY** works
- Non-Hazardous and non-dangerous
