- Non-Hazardous and non-dangerous
- Non-Toxic and Non-Flammable
- Grey water and Septic Safe
- Bottle made of 100% recycled plastic

BENEFITS:

- Australian Made
- Designed with the Planet in Mind
- Made to suit Australian kitchen conditions, quality & safety requirements

PRODUCT DESCRIPTION:

Is a ready to use formula designed with the planet in mind and contains plant and mineral based ingredients.

Non toxic, no ammonia, no chlorine, phosphate free. Grey water and septic safe. Made with biodegradable detergents.

Cuts through body fat and watermarks leaving a streak free finish. Suitable for use on all hard surfaces in the bathroom

DIRECTIONS:

General cleaning: Apply to whole area, including tiles, grout, taps & glass surfaces. Allow 10-20 seconds to react. Flush off with water.

Toilet bowls: Apply neat solution directly to the bowl and beneath the rim. Brush all surfaces and allow to sit for 5-10 seconds. Flush to clean.

PACK SIZE/S: 500ml
ORDER CODE/S: DU827
