

Heavy Duty Glass Washing Liquid

Concentrate

PRODUCT DESCRIPTION:

Jantex Heavy Duty Glass Washing Liquid is a highly active, biodegradable concentrate formulated for automatic glass-washing machines in commercial and industrial kitchens and bars.

It is a low foaming detergent that is highly effective at removing tough residues and is suitable for use in hard water areas. Assists to disperse grease and grime and helps to remove syrup and pulp from glassware, reducing the need to pre-scrub glasses before washing.

DIRECTIONS FOR USE:

Add Jantex Heavy Duty Glass Washing Liquid directly to the reservoir tank of the glasswashing machine.

Do not use for manual dishwashing.

PACK SIZE/S: 5L

ORDER CODE/S: FL831

KITCHEN & FOOD PREP
