

# Bathroom Cleaner

## Concentrate

### WASHROOM & TOILETS

#### PRODUCT DESCRIPTION:

Jantex Bathroom Cleaner is a powerful, multi-purpose solution for bath and washrooms, basins, toilets, tiles and glass surfaces.

This is a non-abrasive formula that is tough on soils and residues but kind to surfaces. The dilutable concentrate makes targeted cleaning a breeze, straight from the bottle onto the stain or soiled spot. Adjust strength as required, apply as directed and simply flush the product off.

Leaving a lingering pine fragrance on surfaces as it cleans, it freshens the air throughout the rooms in which it is used.

#### DIRECTIONS FOR USE:

**Dispense through a squirt bottle only. Do not atomise or use through a trigger spray.**

**General cleaning:** Dilute 40mL concentrate per 1L cold-warm water. Apply to whole area, including tiles, grout, taps & glass surfaces. Allow 10-20 seconds to react. Flush off with water.

**Toilet bowls:** Apply neat solution directly to the bowl and beneath the rim. Brush all surfaces and allow to sit for 5-10 seconds. Flush to clean.

**PACK SIZE/S:** 5L

**ORDER CODE/S:** FL846

#### FEATURES:

- Powerful, versatile cleaner
- Pleasant pine fragrance
- Dilutable concentrate
- Multi-purpose formulation
- Non-abrasive
- Australian Made

#### BENEFITS:

- Kills germs as it cleans
- No harsh chemical smells
- Use on a wide range of surfaces
- Adjust strength according to cleaning task
- Multiple cleaning uses, saves space
- Made to suit Australian conditions & quality/safety standards
