

Glass & Stainless Steel Cleaner

Concentrate

GENERAL CLEANING

PRODUCT DESCRIPTION:

Jantex Glass & Stainless Steel Cleaner is a fast acting, low-effort cleaner with a streak-free finish.

It is ideal for use on all glass, windows and stainless steel surfaces where a cleaned, streak-free finish is the desired result.

It excels in commercial kitchen settings, leaving a lustrous finish on the steel and glass components of rangehoods, kitchen benches, ovens and cooktops.

DIRECTIONS FOR USE:

Dilute 100mL per 1L of water. Spray surface to be cleaned and wipe to a streak free finish with a lint-free cloth. For optimal results, change cleaning cloth regularly.

Use to clean windows, glass and stainless steel surfaces.

ALWAYS SPRAY AWAY FROM FACE AND EYES.

DO NOT MIX WITH DETERGENT OR OTHER CHEMICALS.

Do not use on: Painted, varnished, lacquered, waxed or polished surfaces.

PACK SIZE/S: 5L

ORDER CODE/S: FL860
