

# Medicated Hand Soap

## Fragrance Free Liquid Gel - RTU

### PRODUCT DESCRIPTION:

Jantex Medicated Hand Soap is a fragrance free, liquid hand cleanser that is designed to eliminate bacteria on the skin. It is highly effective against a broad spectrum of microorganisms and suitable for all situations where reducing the possibility of microbial cross-contamination is important.

Gentle and emollient-rich, it helps condition the skin whilst reducing transient bacteria. The fragrance-free formula makes it suitable for use by those with sensitive skin or noses and practical for use in food preparation areas.

This product is suitable for frequent hand washing.

### DIRECTIONS FOR USE:

1. Dispense ready to use soap into Refill dispensers as required

**PACK SIZE/S:** 5L

**ORDER CODE/S:** FL864

### WASHROOM & TOILETS
