

Moisturising Lotion

Hydrating cream

HAND HYGIENE

PRODUCT DESCRIPTION:

Zexa Moisturising lotion has been formulated to nourish, soothe and rejuvenate skin from constant hand washing and daily wear & tear.

The non-greasy, lightweight formula will leave hands feeling soft and hydrated. The absence of fragrance delivers a luxurious moisturising lotion suitable for both sensitive skin and noses.

Suitable for frequent application.

DIRECTIONS FOR USE:

Remove cap from the cartridge, invert and place in dispenser. Close and lock dispenser with key.

As a safety and security feature, a sealing ring has been fitted to prevent re-filling cartridges. When empty, simply remove and replace with a new cartridge.

PACK SIZE: 1L cartridge for use in Dispenser programs
