

BOLERO

GH449 Rectangular Cast Iron Base

Assembly Instructions

Important! This table base can be assembled with a rectangular top 1100 x 700mm but centre holes are not predrilled - any drilling undertaken by customer will be at customers risk.

Important!

Please note screws required to fix the base to the Bolero predrilled table tops are supplied with the table top carton.

Before assembly, carefully remove all packaging and ensure all parts are present. Please periodically check and tighten assembly.

Once assembled please do not attempt to move or lift the table by pulling the table top as this will cause damage to top!
