

Auto Foam

Easy, Step-By-Step Guide to Inserting Auto Foam Refills

Opening the Dispenser

1

Insert key and turn clockwise to unlock the Auto Foam dispenser.

2

Slowly guide the Auto Foam's cover down to open.

Inserting the Refill

3

Begin by inserting the Auto Foam refill into the holder.

4

Next, carefully guide the refill nozzle through the slot in the holder.

WASHROOMSOLUTIONS

Inserting the Refill (Continued)

5

Next, guide the refill nozzle into place.

6

Then the refill will "click" once pressed into place. The refill is now inserted properly into the Auto Foam Dispenser.

Closing the Dispenser

7

Carefully close the dispenser cover by using your fingers to tuck refill.

8

9

Dispenser will "Click" when it is properly closed and locked. The Auto Foam system is ready for use.
