

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### 1.1. Product identifier

Product form : Mixture  
Trade name : EASYWIPEs  
UFI : E530-D0S6-A007-N3V9  
REACH registration No : EXEMPT - MIXTURE  
Product code : 037  
Type of product : Cosmetic product  
Synonyms : Z3

#### 1.2. Relevant identified uses of the substance or mixture and uses advised against

##### 1.2.1. Relevant identified uses

Main use category : Industrial use, Professional use  
Industrial/Professional use spec : Industrial  
Use of the substance/mixture : Cleaning/washing agents and additives

##### 1.2.2. Uses advised against

Restrictions on use : Use as laboratory reagent

#### 1.3. Details of the supplier of the safety data sheet

##### Manufacturer

Aspen Pumps Group  
Guardian House, Stroudley Road  
RG24 8NL Basingstoke  
United Kingdom  
T +44 (0) 1256 460 300  
[sales@advancedengineering.co.uk](mailto:sales@advancedengineering.co.uk) - [www.aspenpumps.com](http://www.aspenpumps.com)

##### Distributor

Aspen Pumps France (Siege Social) SAS  
353 Allée des Vergers  
76360 Barentin  
France  
T +905338686779  
[ventes@aspenpumps.com](mailto:ventes@aspenpumps.com) - <https://www.aspenpumps.com/fr>

##### Distributor

Aspen Pumps Deutschland GmbH  
Tichauer Weg 30  
40231 Düsseldorf  
Germany  
T +49211467979 (Ext. 1)  
[info@aspenpumps.de](mailto:info@aspenpumps.de) - [www.aspenpumps.de](http://www.aspenpumps.de)

##### Distributor

Aspen Pumps Asia Pacific Pty Ltd  
8 Waddikee Road  
SA 5160 Lonsdale  
Australia  
T 5160 (08) 8186 4666  
[sales@aspenpumps.com.au](mailto:sales@aspenpumps.com.au) - <https://www.aspenpumps.com.au/>

#### 1.4. Emergency telephone number

Emergency number : CHEMTREC (24hr) +44 (0) 1256 854318 (Multilingual)

## SECTION 2: Hazards identification

### 2.1. Classification of the substance or mixture

#### Classification according to Regulation (EC) No. 1272/2008 [CLP]

Not classified

#### Adverse physicochemical, human health and environmental effects

To our knowledge, this product does not present any particular risk, provided it is handled in accordance with good occupational hygiene and safety practice.

### 2.2. Label elements

#### Labelling according to Regulation (EC) No. 1272/2008 [CLP]

Contains : D-LIMONENE  
EUH-statements : EUH208 - Contains D-LIMONENE (5989-27-5). May produce an allergic reaction.

### 2.3. Other hazards

Other hazards which do not result in classification : None under normal conditions.

This substance/mixture does not meet the PBT criteria of REACH regulation, annex XIII  
Contains no PBT/vPvB substances  $\geq 0.1\%$  assessed in accordance with REACH Annex XIII

The mixture does not contain substance(s) included in the list established in accordance with Article 59(1) of REACH for having endocrine disrupting properties, or is not identified as having endocrine disrupting properties in accordance with the criteria set out in Commission Delegated Regulation (EU) 2017/2100 or Commission Regulation (EU) 2018/605 at a concentration equal to or greater than 0,1 %

## SECTION 3: Composition/information on ingredients

### 3.1. Substances

Not applicable

### 3.2. Mixtures

## Safety Data Sheet

according to the REACH Regulation (EC) 1907/2006 amended by Regulation (EU) 2020/878

### SECTION 4: First aid measures

#### 4.1. Description of first aid measures

|                                       |                                                                                                                   |
|---------------------------------------|-------------------------------------------------------------------------------------------------------------------|
| First-aid measures general            | : Never give anything by mouth to an unconscious person.                                                          |
| First-aid measures after inhalation   | : Get medical advice/attention if you feel unwell. Remove person to fresh air and keep comfortable for breathing. |
| First-aid measures after skin contact | : Wash skin with plenty of water.                                                                                 |
| First-aid measures after eye contact  | : Rinse eyes with water as a precaution.                                                                          |
| First-aid measures after ingestion    | : Call a poison center or a doctor if you feel unwell.                                                            |

#### 4.2. Most important symptoms and effects, both acute and delayed

|                                   |                                                                                         |
|-----------------------------------|-----------------------------------------------------------------------------------------|
| Symptoms/effects                  | : Causes serious eye damage.                                                            |
| Symptoms/effects after inhalation | : May cause respiratory irritation.                                                     |
| Symptoms/effects after ingestion  | : May cause irritation to the digestive tract. Ingestion may cause nausea and vomiting. |

#### 4.3. Indication of any immediate medical attention and special treatment needed

Treat symptomatically.

### SECTION 5: Firefighting measures

#### 5.1. Extinguishing media

|                                |                                                  |
|--------------------------------|--------------------------------------------------|
| Suitable extinguishing media   | : Water spray. Dry powder. Foam. Carbon dioxide. |
| Unsuitable extinguishing media | : Do not use a heavy water stream.               |

#### 5.2. Special hazards arising from the substance or mixture

|                                                  |                                                 |
|--------------------------------------------------|-------------------------------------------------|
| Fire hazard                                      | : May cause fire or explosion; strong oxidiser. |
| Explosion hazard                                 | : No direct explosion hazard.                   |
| Reactivity in case of fire                       | : Product is not explosive.                     |
| Hazardous decomposition products in case of fire | : Toxic fumes may be released.                  |

#### 5.3. Advice for firefighters

|                                |                                                                                                                                          |
|--------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Protection during firefighting | : Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing. |
|--------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|

### SECTION 6: Accidental release measures

#### 6.1. Personal precautions, protective equipment and emergency procedures

|                                           |                                                                                                                                                             |
|-------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| General measures                          | : Avoid contact with skin and eyes.                                                                                                                         |
| <b>6.1.1. For non-emergency personnel</b> |                                                                                                                                                             |
| Emergency procedures                      | : Ventilate spillage area.                                                                                                                                  |
| <b>6.1.2. For emergency responders</b>    |                                                                                                                                                             |
| Protective equipment                      | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection". |

#### 6.2. Environmental precautions

Avoid release to the environment.

#### 6.3. Methods and material for containment and cleaning up

|                         |                                                                 |
|-------------------------|-----------------------------------------------------------------|
| Methods for cleaning up | : Take up liquid spill into absorbent material.                 |
| Other information       | : Dispose of materials or solid residues at an authorized site. |

#### 6.4. Reference to other sections

For further information refer to section 13.

## Safety Data Sheet

according to the REACH Regulation (EC) 1907/2006 amended by Regulation (EU) 2020/878

### SECTION 7: Handling and storage

#### 7.1. Precautions for safe handling

|                               |                                                                                                     |
|-------------------------------|-----------------------------------------------------------------------------------------------------|
| Precautions for safe handling | : Ensure good ventilation of the work station. Wear personal protective equipment.                  |
| Hygiene measures              | : Do not eat, drink or smoke when using this product. Always wash hands after handling the product. |

#### 7.2. Conditions for safe storage, including any incompatibilities

|                            |                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Technical measures         | : Keep in a cool, well-ventilated place away from heat. Ensure adequate ventilation, especially in confined areas. |
| Storage conditions         | : Store in a well-ventilated place. Keep cool.                                                                     |
| Incompatible products      | : Oxidizing agent.                                                                                                 |
| Incompatible materials     | : Direct sunlight. Sources of ignition.                                                                            |
| Maximum storage period     | : $\geq 5$ year                                                                                                    |
| Storage temperature        | : $< 55$ °C                                                                                                        |
| Storage area               | : Store away from heat.                                                                                            |
| Special rules on packaging | : Keep only in original container. Store in a closed container.                                                    |
| Packaging materials        | : Keep only in the original container in a cool, well-ventilated place away from combustible materials.            |

#### 7.3. Specific end use(s)

No additional information available

### SECTION 8: Exposure controls/personal protection

#### 8.1. Control parameters

##### 8.1.1 National occupational exposure and biological limit values

No additional information available

##### 8.1.2. Recommended monitoring procedures

No additional information available

##### 8.1.3. Air contaminants formed

No additional information available

##### 8.1.4. DNEL and PNEC

No additional information available

##### 8.1.5. Control banding

No additional information available

#### 8.2. Exposure controls

##### 8.2.1. Appropriate engineering controls

###### Appropriate engineering controls:

Ensure good ventilation of the work station.

##### 8.2.2. Personal protection equipment

###### Personal protective equipment:

Protective clothing. Protective goggles. Insulated gloves. Avoid all unnecessary exposure.

###### Personal protective equipment symbol(s):

###### 8.2.2.1. Eye and face protection

###### Eye protection:

Safety glasses

## Safety Data Sheet

according to the REACH Regulation (EC) 1907/2006 amended by Regulation (EU) 2020/878

### 8.2.2.2. Skin protection

#### Skin and body protection:

Wear suitable protective clothing

| Hand protection   |                                                                 |                   |                 |             |                       |
|-------------------|-----------------------------------------------------------------|-------------------|-----------------|-------------|-----------------------|
| Type              | Material                                                        | Permeation        | Thickness (mm)  | Penetration | Standard              |
| Disposable gloves | Nitrile rubber (NBR),<br>Latex, LLDPE, Natural<br>rubber, Vinyl | 6 (> 480 minutes) | 0.1 mm - 0.2 mm | 1 (< 4.0)   | EN 374-3, EN<br>374-2 |

### 8.2.2.3. Respiratory protection

#### Respiratory protection:

In case of insufficient ventilation, wear suitable respiratory equipment

### 8.2.2.4. Thermal hazards

No additional information available

### 8.2.3. Environmental exposure controls

#### Environmental exposure controls:

Avoid release to the environment.

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

|                                                 |                      |
|-------------------------------------------------|----------------------|
| Physical state                                  | : Liquid             |
| Colour                                          | : white.             |
| Appearance                                      | : White solid.       |
| Odour                                           | : Sweet-smelling.    |
| Odour threshold                                 | : Not available      |
| Melting point                                   | : Not applicable     |
| Freezing point                                  | : < 0 °C             |
| Boiling point                                   | : Not available      |

| Particle characteristics                        | : Not applicable     |

### 9.2. Other information

#### 9.2.1. Information with regard to physical hazard classes

No additional information available

#### 9.2.2. Other safety characteristics

VOC content : ≤ 6 %

# EASYWIPE

## Safety Data Sheet

according to the REACH Regulation (EC) 1907/2006 amended by Regulation (EU) 2020/878

### SECTION 10: Stability and reactivity

#### 10.1. Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

#### 10.2. Chemical stability

Stable under normal conditions.

#### 10.3. Possibility of hazardous reactions

No dangerous reactions known under normal conditions of use.

#### 10.4. Conditions to avoid

None under recommended storage and handling conditions (see section 7).

#### 10.5. Incompatible materials

Oxidizing agent.

#### 10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced.

### SECTION 11: Toxicological information

#### 11.1. Information on hazard classes as defined in Regulation (EC) No 1272/2008

|                                   |                                                                                                                        |
|-----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| Acute toxicity (oral)             | : Not classified                                                                                                       |
| Acute toxicity (dermal)           | : Not classified                                                                                                       |
| Acute toxicity (inhalation)       | : Not classified                                                                                                       |
| Skin corrosion/irritation         | : Not classified                                                                                                       |
|                                   | pH: $\leq 7$                                                                                                           |
| Serious eye damage/irritation     | : Classification procedure not required, because the substance or the mixture is by definition not an organic peroxide |
|                                   | pH: $\leq 7$                                                                                                           |
| Respiratory or skin sensitisation | : Not classified                                                                                                       |
| Germ cell mutagenicity            | : Not classified                                                                                                       |
| Carcinogenicity                   | : Not classified                                                                                                       |
| Reproductive toxicity             | : Not classified                                                                                                       |
| STOT-single exposure              | : Not classified                                                                                                       |

#### PROPAN-2-OL (67-63-0)

|                        |                                    |
|------------------------|------------------------------------|
| STOT-single exposure   | May cause drowsiness or dizziness. |
| STOT-repeated exposure | : Not classified                   |
| Aspiration hazard      | : Not classified                   |

#### 11.2. Information on other hazards

##### 11.2.1. Endocrine disrupting properties

No additional information available

##### 11.2.2. Other information

Potential adverse human health effects and symptoms : Harmful in contact with skin.

# EASYWIPEs

## Safety Data Sheet

according to the REACH Regulation (EC) 1907/2006 amended by Regulation (EU) 2020/878

### SECTION 12: Ecological information

#### 12.1. Toxicity

Ecology - general : The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment.

Hazardous to the aquatic environment, short-term (acute) : Not classified

Hazardous to the aquatic environment, long-term (chronic) : Not classified

Not rapidly degradable

#### 12.2. Persistence and degradability

##### EASYWIPEs

|                               |                       |
|-------------------------------|-----------------------|
| Persistence and degradability | 100 % biodegradation. |
|-------------------------------|-----------------------|

#### 12.3. Bioaccumulative potential

##### EASYWIPEs

|                           |                  |
|---------------------------|------------------|
| Bioaccumulative potential | Not established. |
|---------------------------|------------------|

#### 12.4. Mobility in soil

No additional information available

#### 12.5. Results of PBT and vPvB assessment

##### EASYWIPEs

This substance/mixture does not meet the PBT criteria of REACH regulation, annex XIII

#### 12.6. Endocrine disrupting properties

No additional information available

#### 12.7. Other adverse effects

No additional information available

### SECTION 13: Disposal considerations

#### 13.1. Waste treatment methods

Regional legislation (waste) : Disposal must be done according to official regulations.

Waste treatment methods : Dispose of contents/container in accordance with licensed collector's sorting instructions.

### SECTION 14: Transport information

In accordance with ADR / IMDG / IATA / ADN / RID

| ADR                                  | IMDG          | IATA          | ADN           | RID           |

### 14.6. Special precautions for user

#### Overland transport

Not regulated

#### Transport by sea

Not regulated

#### Air transport

Not regulated

#### Inland waterway transport

Not regulated

#### Rail transport

Not regulated

### 14.7. Maritime transport in bulk according to IMO instruments

Not applicable

## SECTION 15: Regulatory information

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### 15.1.1. EU-Regulations

Other information, restriction and prohibition regulations : Commission Regulation (EU) 2015/830 of 28 May 2015 amending Regulation (EC) No 1907/2006.

#### REACH Annex XVII (Restriction List)

Contains no substance(s) listed on REACH Annex XVII (Restriction Conditions)

#### REACH Annex XIV (Authorisation List)

Contains no substance(s) listed on REACH Annex XIV (Authorisation List)

#### REACH Candidate List (SVHC)

Contains no substance(s) listed on the REACH Candidate List

#### PIC Regulation (Prior Informed Consent)

Contains no substance(s) listed on the PIC list (Regulation EU 649/2012 concerning the export and import of hazardous chemicals)

#### POP Regulation (Persistent Organic Pollutants)

Contains no substance(s) listed on the POP list (Regulation EU 2019/1021 on persistent organic pollutants)

#### Ozone Regulation (1005/2009)

Contains no substance(s) listed on the Ozone Depletion list (Regulation EU 1005/2009 on substances that deplete the ozone layer)

#### VOC Directive (2004/42)

VOC content : ≤ 6 %

## Safety Data Sheet

according to the REACH Regulation (EC) 1907/2006 amended by Regulation (EU) 2020/878

### Cosmetic Regulation (1223/2009)

Not applicable.

### Explosives Precursors Regulation (2019/1148)

Contains no substance(s) listed on the Explosives Precursors list (Regulation EU 2019/1148 on the marketing and use of explosives precursors)

### Drug Precursors Regulation (273/2004)

Contains no substance(s) listed on the Drug Precursors list (Regulation EC 273/2004 on the manufacture and the placing on market of certain substances used in the illicit manufacture of narcotic drugs and psychotropic substances)

#### 15.1.2. National regulations

Listed on the United States TSCA (Toxic Substances Control Act) inventory - Status: Active

### 15.2. Chemical safety assessment

No chemical safety assessment has been carried out

## SECTION 16: Other information

## Safety Data Sheet

according to the REACH Regulation (EC) 1907/2006 amended by Regulation (EU) 2020/878

### Abbreviations and acronyms:

|         |                                          |
|---------|------------------------------------------|
| STP     | Sewage treatment plant                   |
| ThOD    | Theoretical oxygen demand (ThOD)         |
| TLM     | Median Tolerance Limit                   |
| VOC     | Volatile Organic Compounds               |
| CAS-No. | Chemical Abstract Service number         |
| N.O.S.  | Not Otherwise Specified                  |
| vPvB    | Very Persistent and Very Bioaccumulative |
| ED      | Endocrine disrupting properties          |

|                   |                                                                        |
|-------------------|------------------------------------------------------------------------|
| Aquatic Acute 1   | Hazardous to the aquatic environment – Acute Hazard, Category 1        |
| Aquatic Chronic 1 | Hazardous to the aquatic environment – Chronic Hazard, Category 1      |
| EUH208            | Contains D-LIMONENE (5989-27-5). May produce an allergic reaction.     |
| Eye Irrit. 2      | Serious eye damage/eye irritation, Category 2                          |
| Flam. Liq. 2      | Flammable liquids, Category 2                                          |
| Flam. Liq. 3      | Flammable liquids, Category 3                                          |
| H225              | Highly flammable liquid and vapour.                                    |
| H226              | Flammable liquid and vapour.                                           |
| H315              | Causes skin irritation.                                                |
| H317              | May cause an allergic skin reaction.                                   |
| H319              | Causes serious eye irritation.                                         |
| H336              | May cause drowsiness or dizziness.                                     |
| H400              | Very toxic to aquatic life.                                            |
| H410              | Very toxic to aquatic life with long lasting effects.                  |
| Skin Irrit. 2     | Skin corrosion/irritation, Category 2                                  |
| Skin Sens. 1      | Skin sensitisation, Category 1                                         |
| STOT SE 3         | Specific target organ toxicity – Single exposure, Category 3, Narcosis |

The classification complies with : ATP 12

Safety Data Sheet (SDS), EU
