Safety Instructions

- Whilst all care has been taken to remove sharp edges, care must be taken when cleaning or handling the table to prevent risk of injury from exposed metal edges.
- Do not overload the table causing it to bend. Max. Load Weight (evenly spread): 150kg

Assembly

- To unfold the table, follow the illustrations on Page2. **Note: After the leg is pushed down fully into place, ensure to lock it securely using the latch (Fig. 2).**
- To fold, just reverse the steps.

Note: Adjust the feet if necessary to level the table.

Before using for the first time HOST recommend the table is cleaned thoroughly with a suitable cleaning agent. Remove all cleaning residues and dry thoroughly.

Cleaning

- Clean the table regularly using a cleaning agent suitable for use with stainless steel.
- Always remove cleaning agent residue. This can discolour the table surfaces.
- Never leave the table surface damp as this can cause discolouration.

Service

Should your appliance have a fault, please visit the Service section of the HOST website.
