Foldaway Utility Table

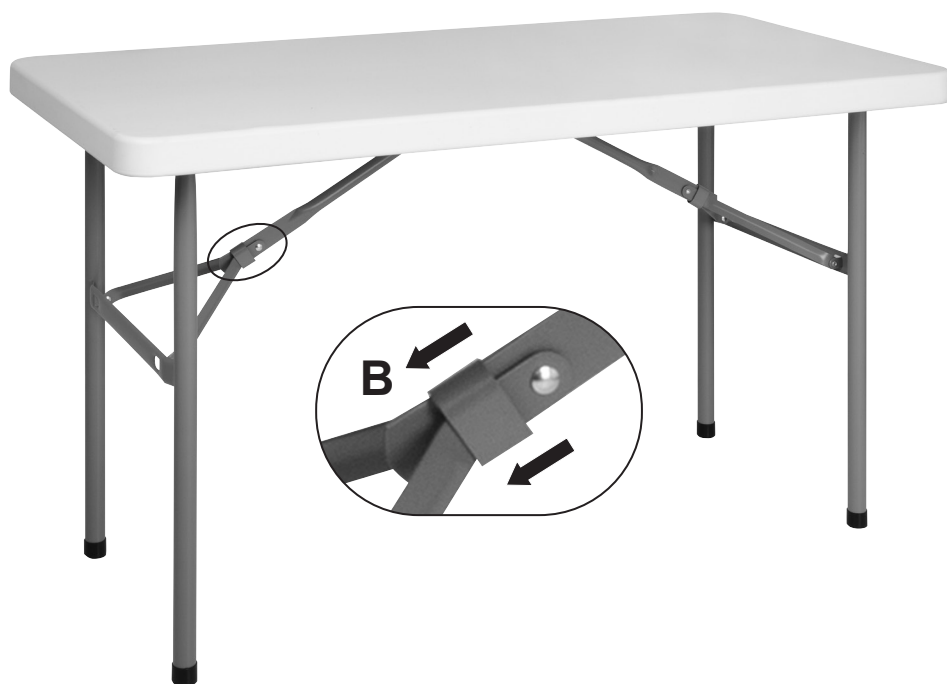

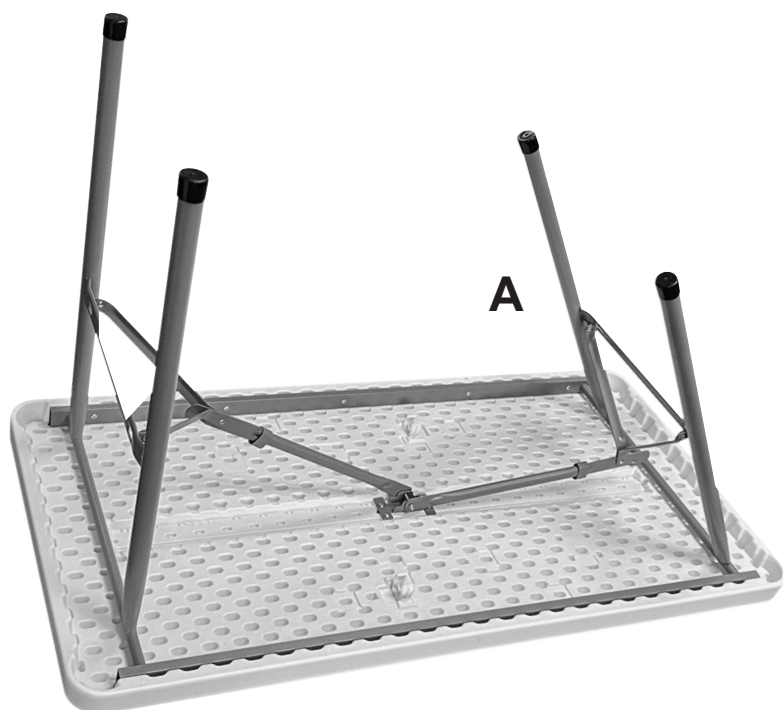

Instruction manual

Model:

HOST0301PFT

**Read this instruction
manual carefully
before use**

Safety Instructions

- Do not overload the table top causing it to bend. Max. Load Weight (evenly spread): 125kg.
- Always ensure the legs are firmly secured against the underside of the table before storing/transporting.
- The table is heavy. DO NOT attempt to move it on your own.

Assembly

1. Place the table face down on a flat surface.
2. Unfold the table and lift up the legs **[A]**.
3. Turn the table upright.
4. Slide the joint locks over the joints **[B]**.

WARNING: Ensure the joint locks are securely in place before using the table.

5. Collapsing the table is a reverse of the above procedure.

Service

Should your appliance have a fault, please visit the Service section of the HOST website.
