

# Multi-Purpose Cleaner

## Disinfectant & Deodoriser Concentrate

### GENERAL CLEANING

#### PRODUCT DESCRIPTION:

Jantex Multipurpose Cleaner is a powerful disinfectant, cleaner and deodoriser. Formulated from a combination of emulsifiers and cleaning reagents, coupled with highly effective levels of Quaternary Ammonium Compound, it cuts through grime whilst disinfecting. A lemongrass fragrance imparts lingering, deodorising qualities to surfaces and rooms in which it is applied.

Once diluted, Jantex Multipurpose Cleaner can be used to clean hard surfaces in varying strengths as required. It is versatile in use, able to be diluted into trigger spray bottles, atomisers and buckets.

The addition of warm water will improve cleaning performance.

#### DIRECTIONS FOR USE:

- Disinfectant:** Dilute 100mL concentrate in 1L of water.
- Floor Cleaning:** Dilute 30mL concentrate in 1L of water. Apply with a clean mop or automatic scrubber.
- Surface Cleaning:** Light: Dilute 40mL concentrate in 1L of water  
Heavy: Dilute 100mL concentrate in 1L of water  
Apply with a trigger spray to surface. Allow to dwell for 15 seconds. Wipe off with a clean cloth.
- Deodorising:** Dilute 150mL concentrate in 1L of water and atomise through a trigger spray.

DO NOT MIX WITH DETERGENT OR OTHER CHEMICALS. DISCARD DAY OLD SOLUTIONS.

**PACK SIZE/S:** 5L

**ORDER CODE/S:** FL855

#### FEATURES:

- Safe on all hard surfaces
- Powerful, non-alcohol disinfectant
- Disperses and removes grease & grime
- Refreshing lemongrass fragrance
- Highly concentrated
- Australian made

#### BENEFITS:

- Multi-use cleaner reduces need to store multiple products
- Safe to use when alcohol based products are not permitted or suitable
- Pleasant residual fragrance to help deodorise spaces
- Made to suit Australian conditions, quality & safety requirements
