Roband Grill Stations

The modern, stylish Roband Grill Station is available in six or eight slice size models with manual or electronic timers. The Grill Station evenly toasts paninis, focaccias and sandwiches and beautifully grills steak, poultry and fish. The perfect cooking tool for cafes, takeaways and more.

FEATURES:

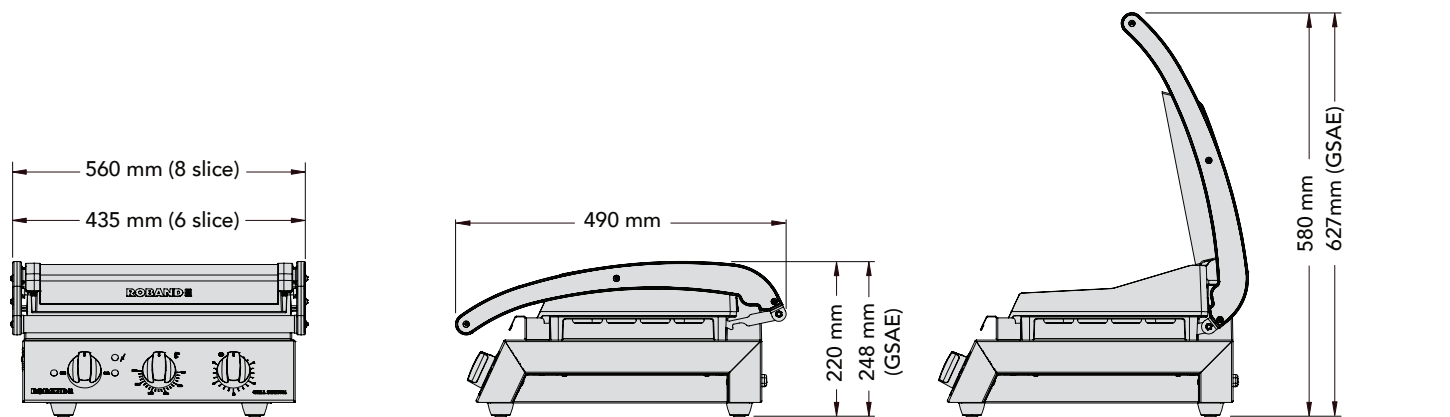

- 6 or 8 slice bread capacity
- Manufactured in Australia from quality high pressure die-cast aluminium cooking plates with cast-in elements for efficient, directional and effective heat transfer
- Even temperature across plates and between top & bottom plate
- Top plate holds open at 45° angle
- Plate spacers are available separately for very thin contents
- Thermostatically controlled
- 5 minute timer with warning bell
- Counter space-saving design with no back cable
- Optional non-stick Roband Grill Sheet & retainer clip keeps the plates clean, prevents food sticking and is removable, cleanable & replaceable
- GSAE Models: Electronic timer with 8 timer capability - 4 individual timers, each with two pre-set time periods of up to 10 minutes.
- All GSAE Models include a FREE Heat Shield, PTFE Sheet and Retainer Clip
